

Police Community Report - 11th February 2010

This last week has flown by quickly and we are now well into the new year. There have been four arrests during the week for drug offences, bail breaches and unlawful possession of explosives.

A burglary occurred at a garage in Huamai Street on Tuesday night this week. Any information about this would be appreciated.

Some lousy thief stole a money tin from the Bus Stop café this week after opening one of the bus windows. It is sad to think that some selfish and lazy thief chose to steal other people's money. I bet their face will have 'GUILTY' across it next time they order a hamburger from the Café. Anyone with information about the thief is welcome to call us so that we can re-educate them.

Last week there was a bit of tagging around the streets. We are closing in on the taggers and thanks to a recent breakthrough we have names of the likely offenders. We are patient and know that one way or another they will face consequences for their actions.

We have recently had a white purse handed in. The owner is welcome to come in and describe their missing purse so that we can hand it back to them.

Remember if you see anything suspicious or wish to let us know about vehicles with unrestrained children, you can do so anonymously on the crime-line answer phone on 07 8829076. To speak with us directly call 07 882 9070. In emergencies dial 111. Until next week, take care.
